## **PURCHASING & INVENTORY STAND ALONE GLENEAGLES HOTEL, SCOTLAND, PERTSHIRE**

- Purchasing/Inventory
- Bar Code Scanning
- Springer Miller Retail POS and Touch Interfaces
- Interface with Corporate Accounting

Gleneagles Hotel, one of the world's most coveted 5 star resorts, is owned by Diageo Plc and is a member of The Leading Hotels of the World. Set in 850 acres of Perthshire countryside, Gleneagles is home to three of the top Scottish Championship Golf Courses and a wide range of outdoor leisure activities.

Gleneagles has a corporate mandated accounting system (Sun Systems) and needed a stand-alone Purchasing and Inventory solution with barcode scanning for their golf

retail outlets and food & beverage operations.

Additional criteria included an interface with Springer-Miller Retail POS, Springer-Miller Touch and Sun Systems so they could pay vendors for goods received in Data Plus.

*“We installed the Data Plus Retail system on the 1st June 2008 and the Food & Beverage system in August 2008. Data Plus worked closely with us to enhance both products and developed them to where they are today.”*

*Brett Davidge - Former Project Manager at Gleneagles*
